

Progetto Shoah delle classi 5 C
e 5 D della Scuola Primaria.

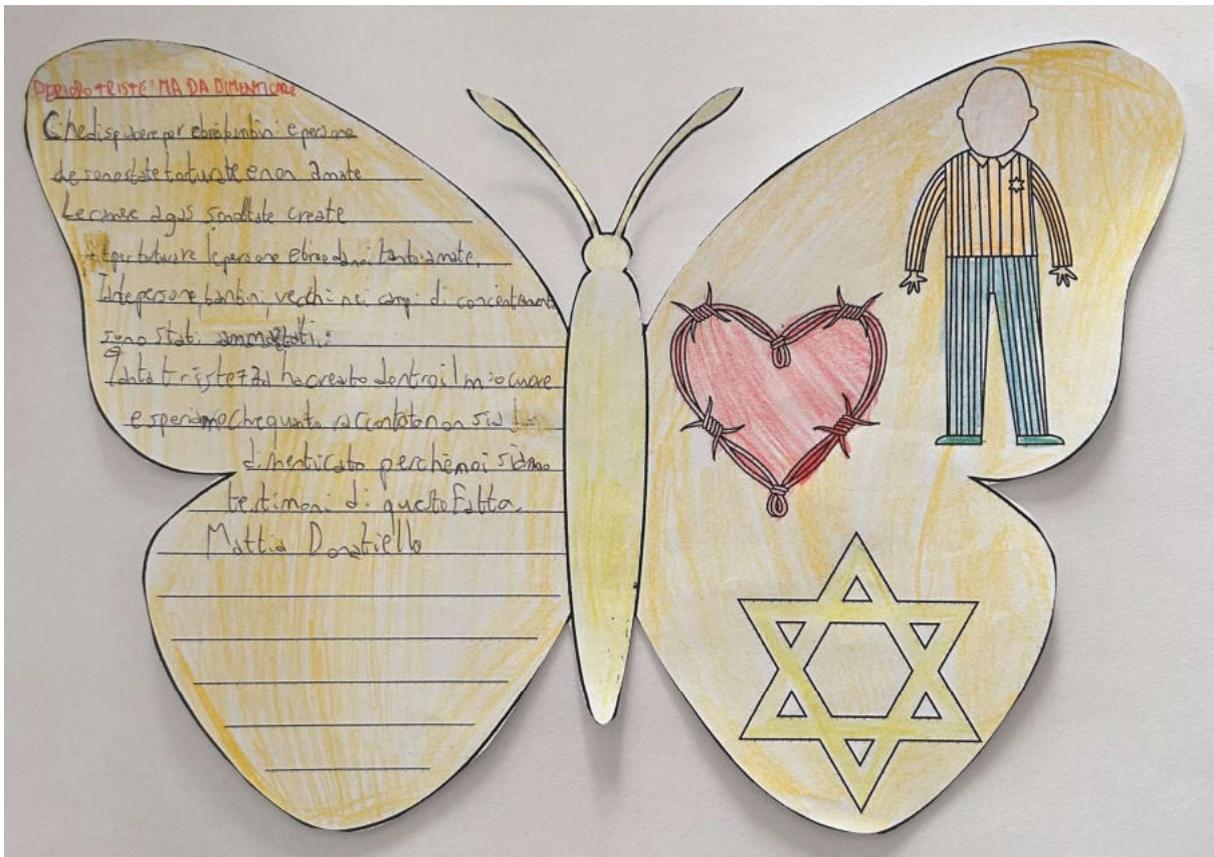

Noi docenti delle sopracitate classi desideriamo farvi riflettere sui sentimenti dei nostri bimbi sulla Shoah. I nostri alunni hanno espresso le loro emozioni utilizzando il codice poetico e donandoci spunti interessanti per comprendere quanto bambini così piccoli siano capaci di insegnarci. Le insegnanti.

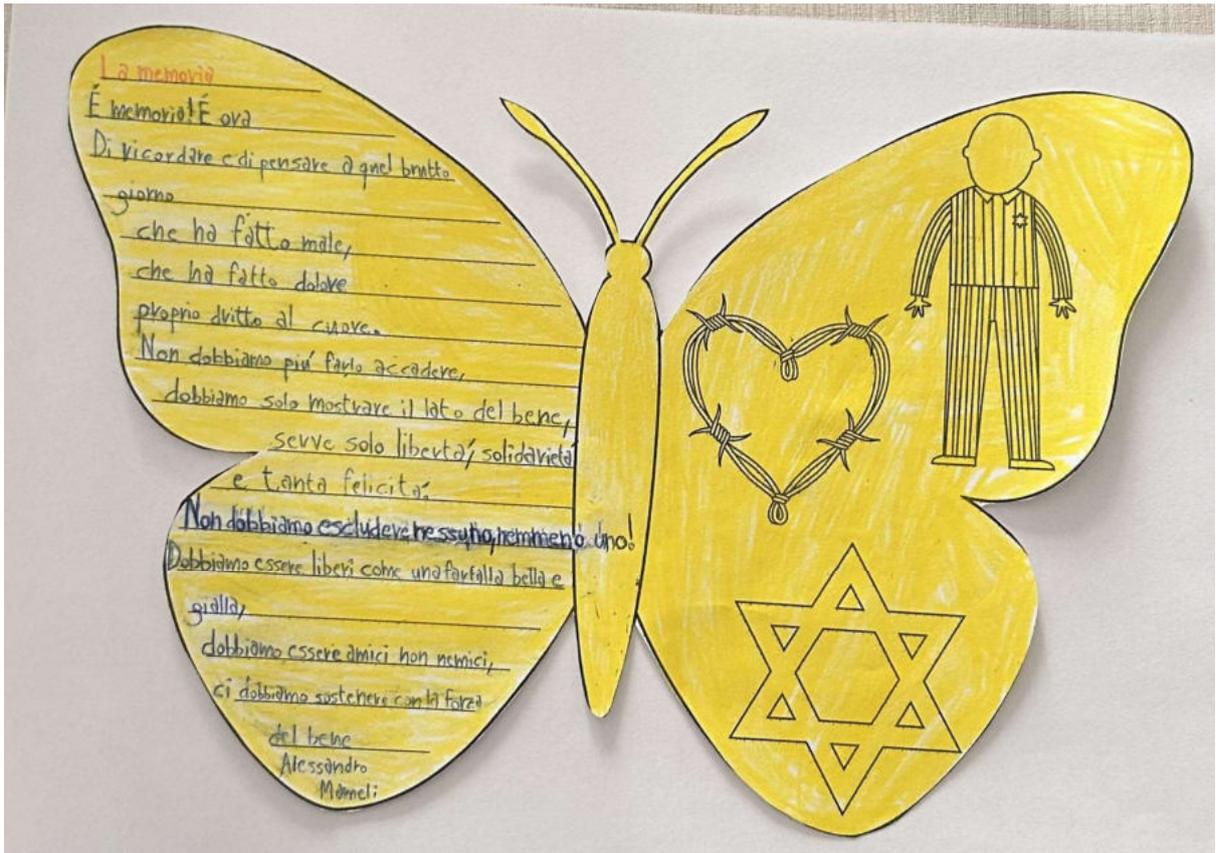

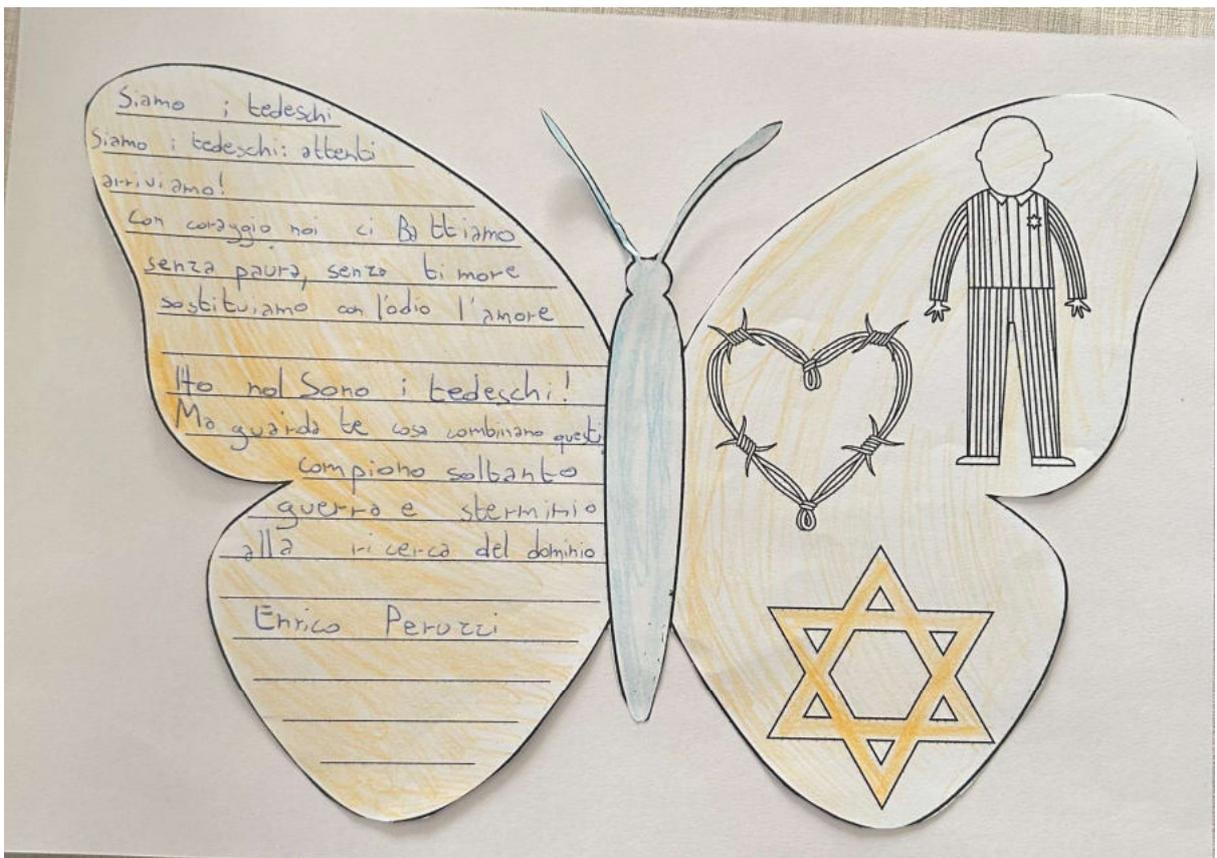

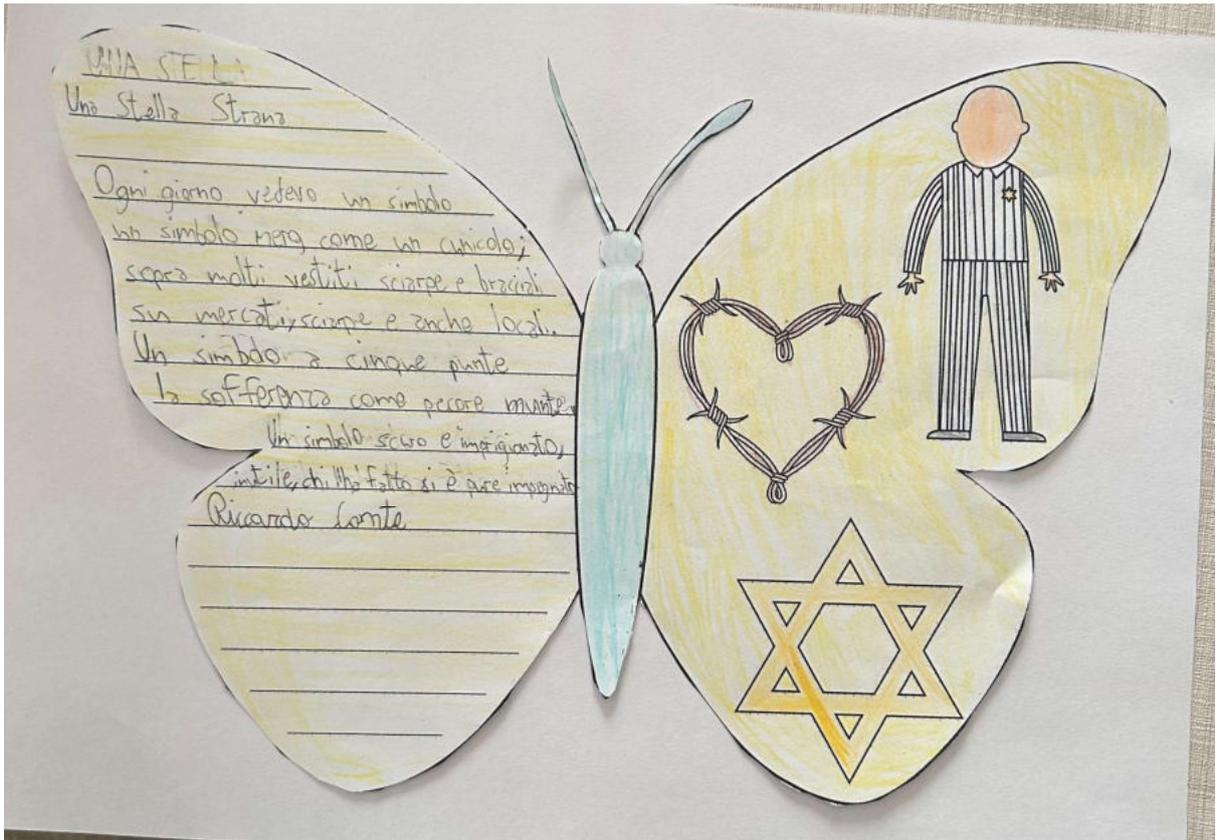

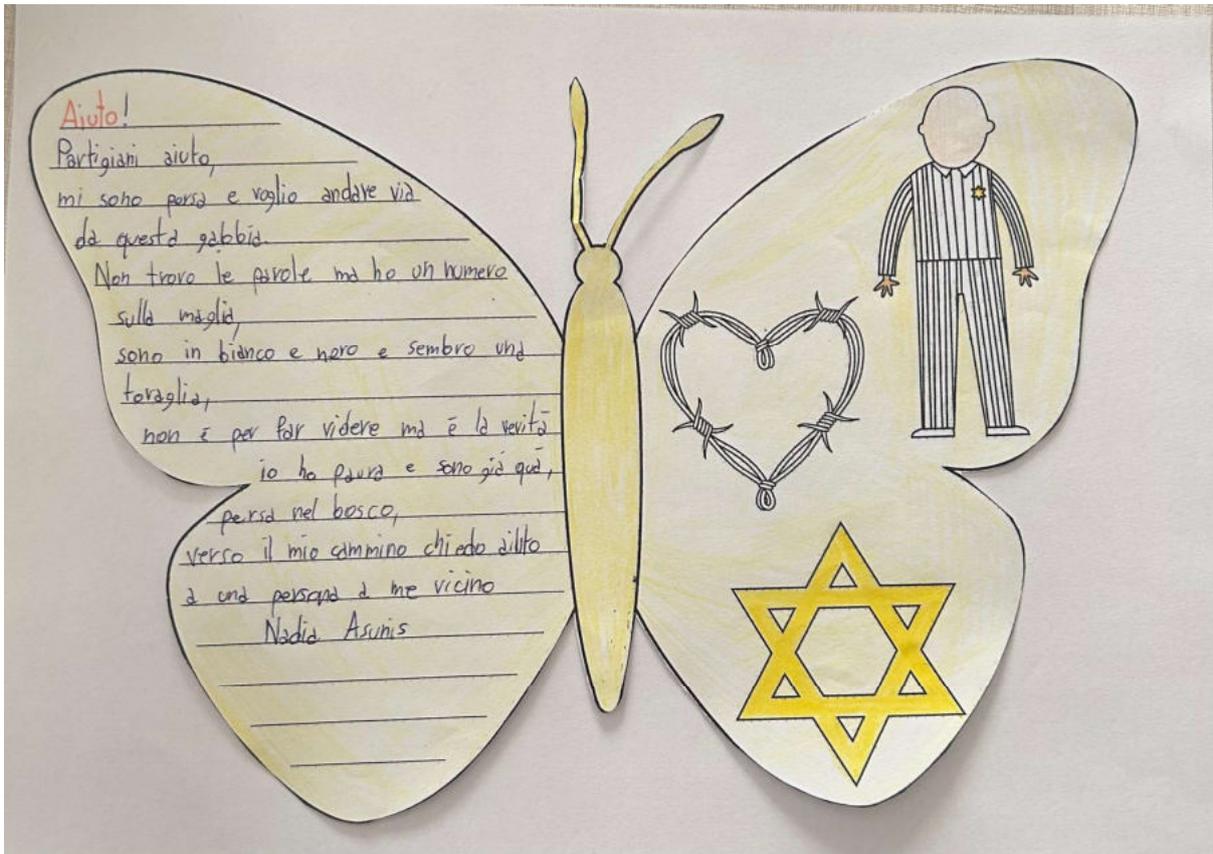

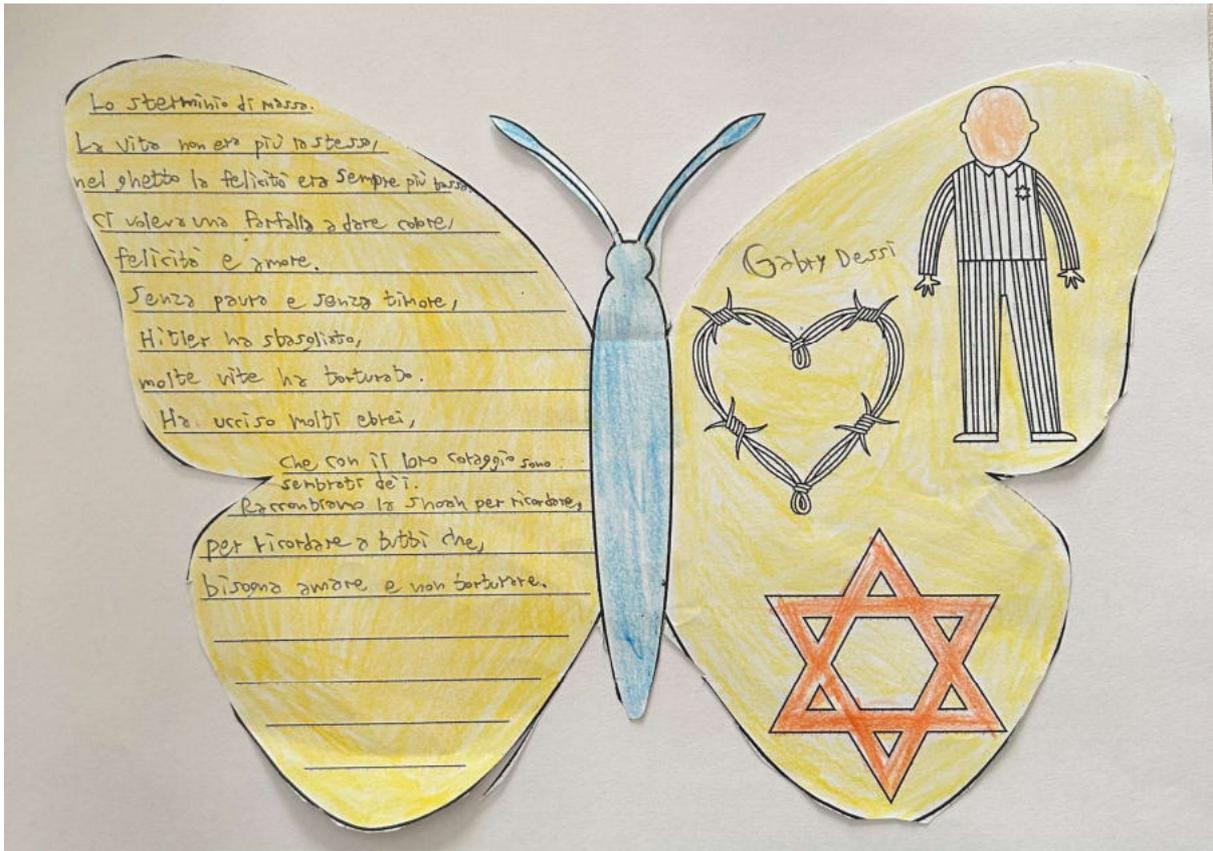

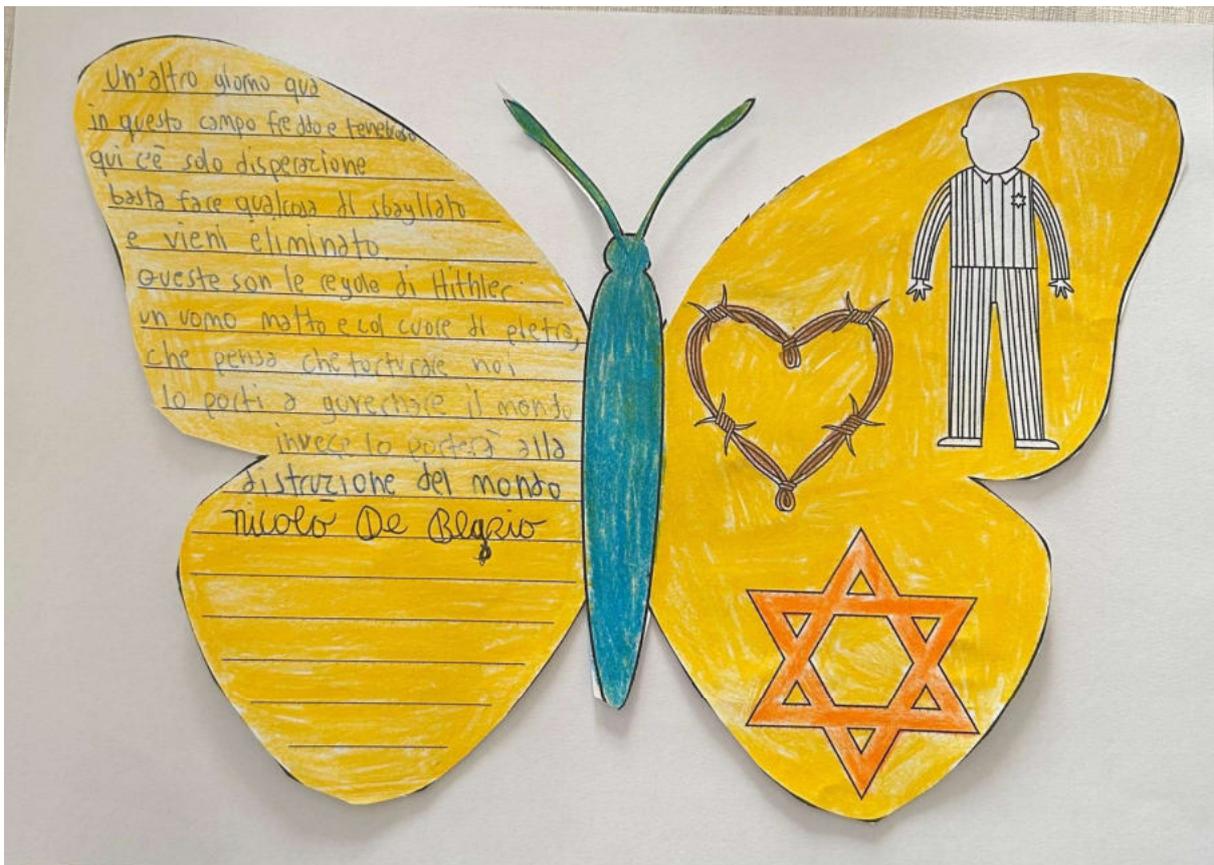

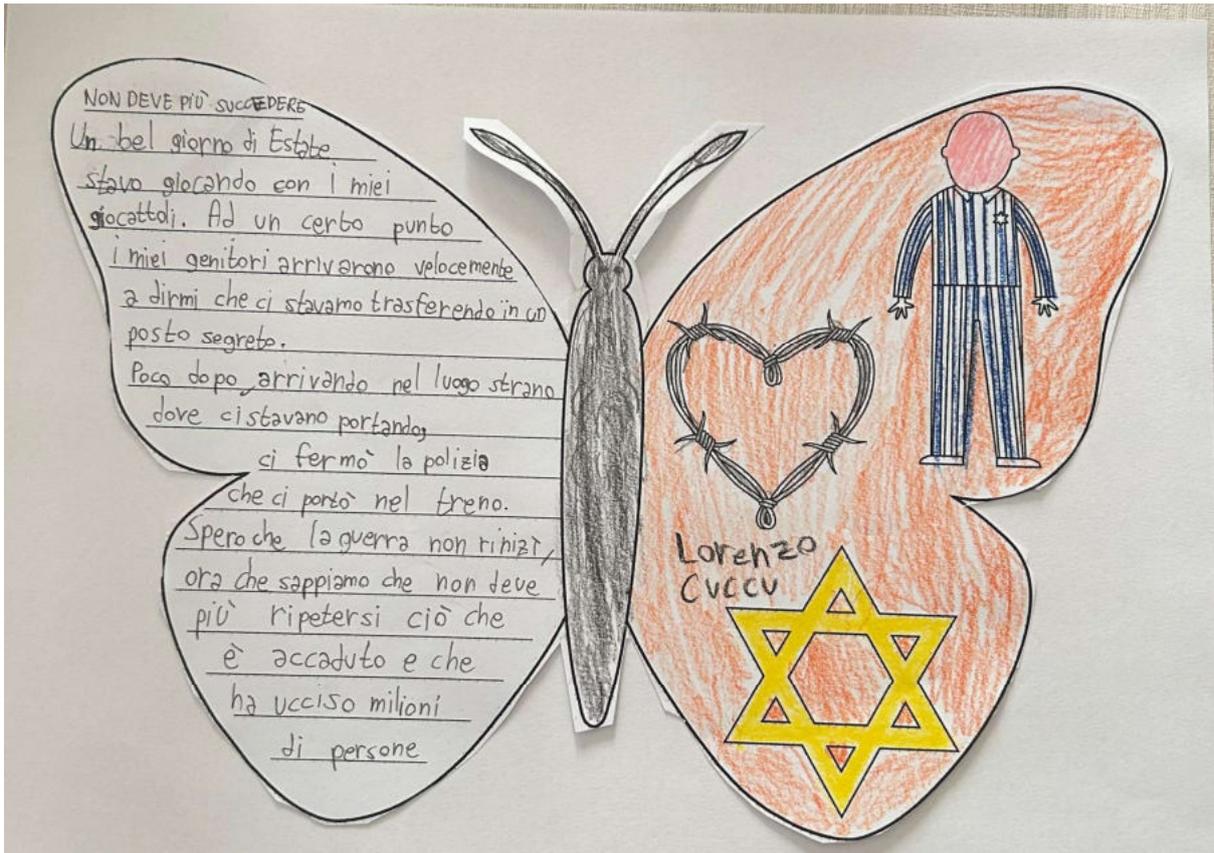

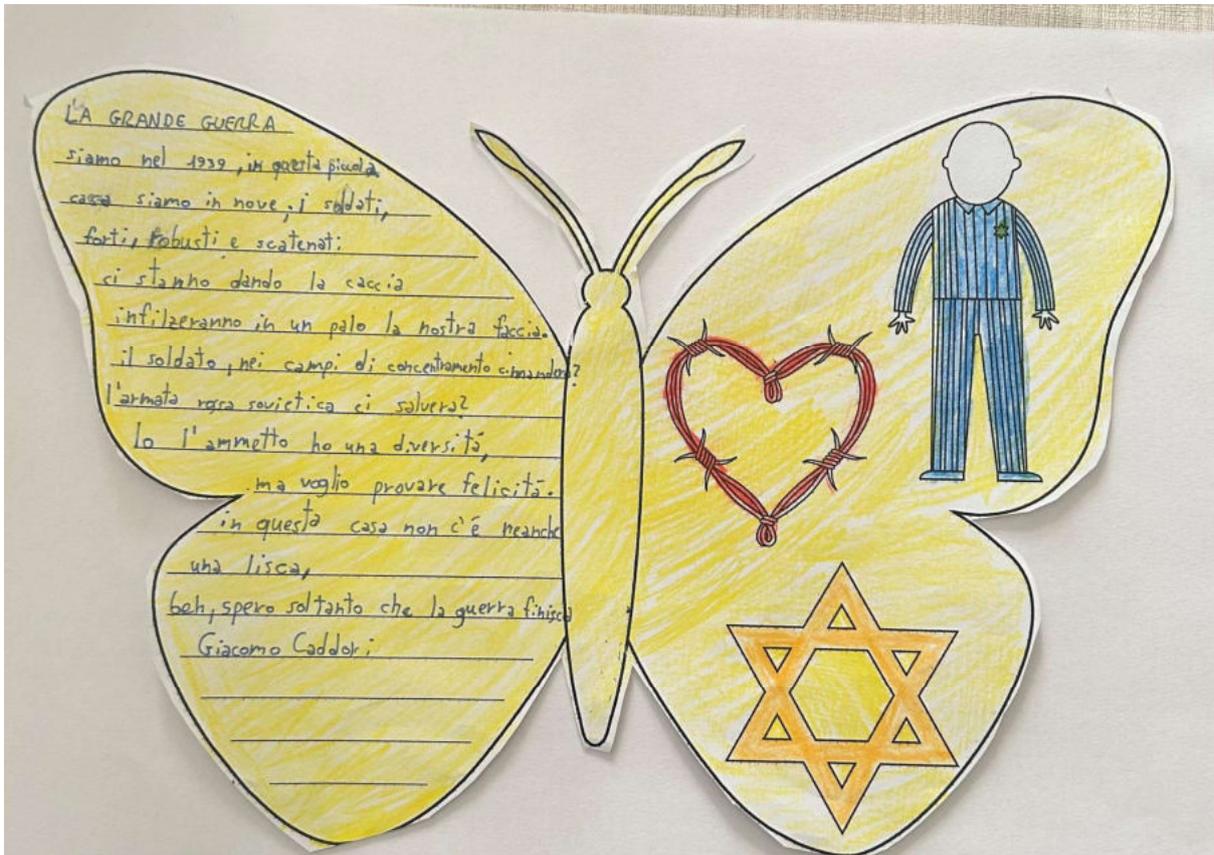

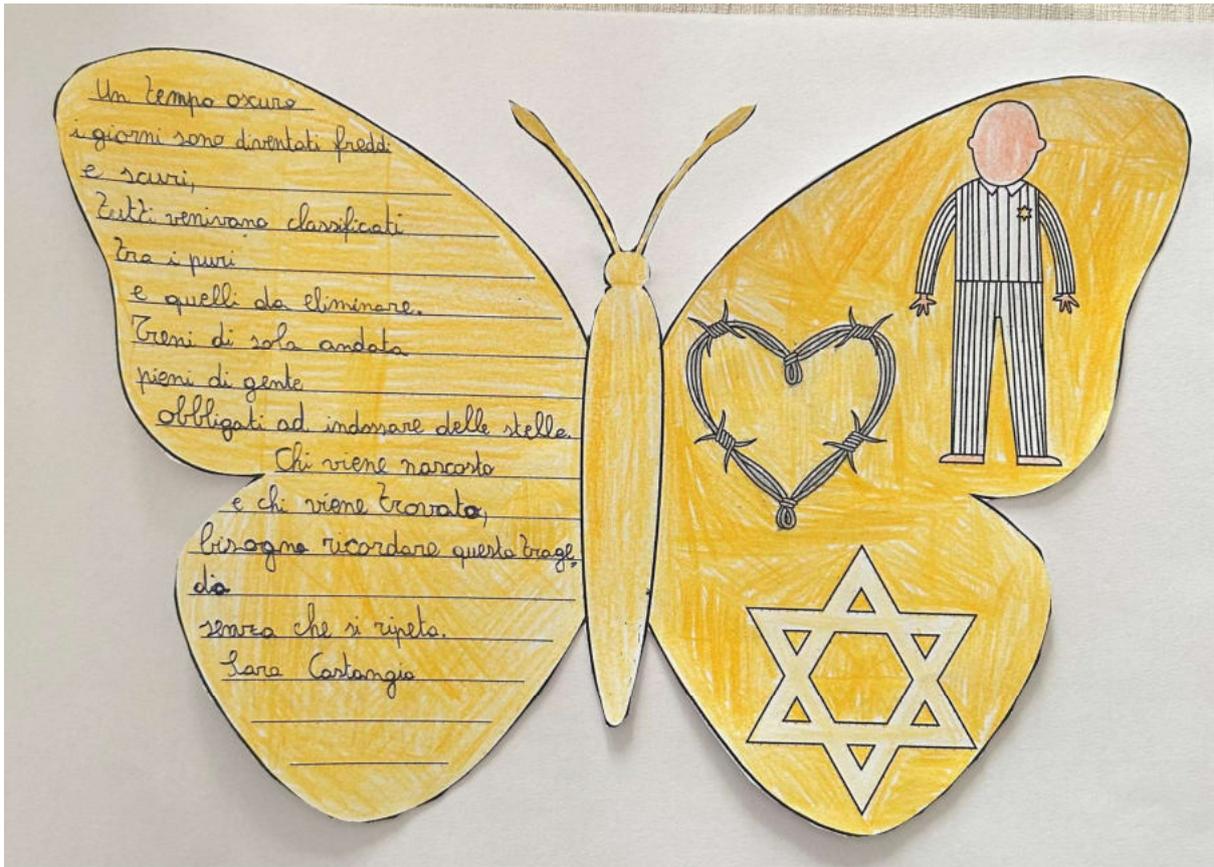

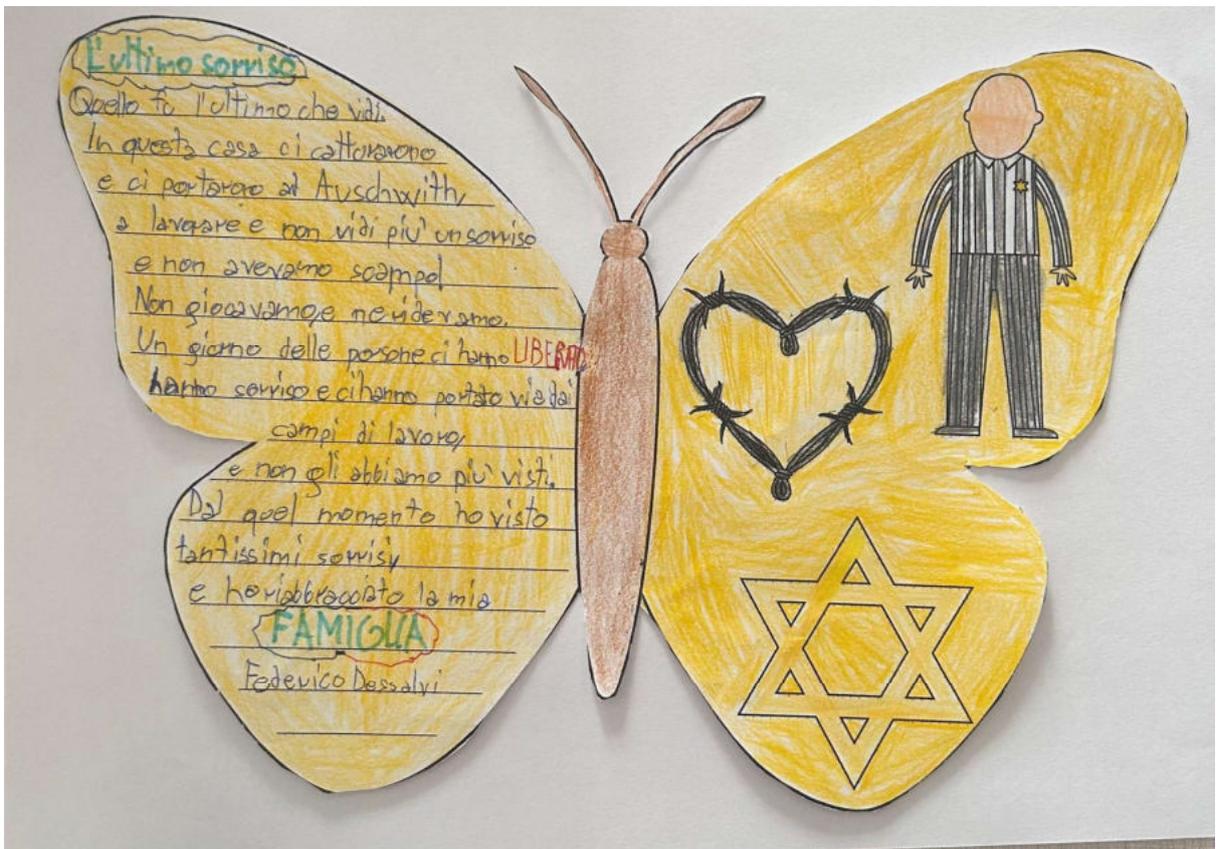

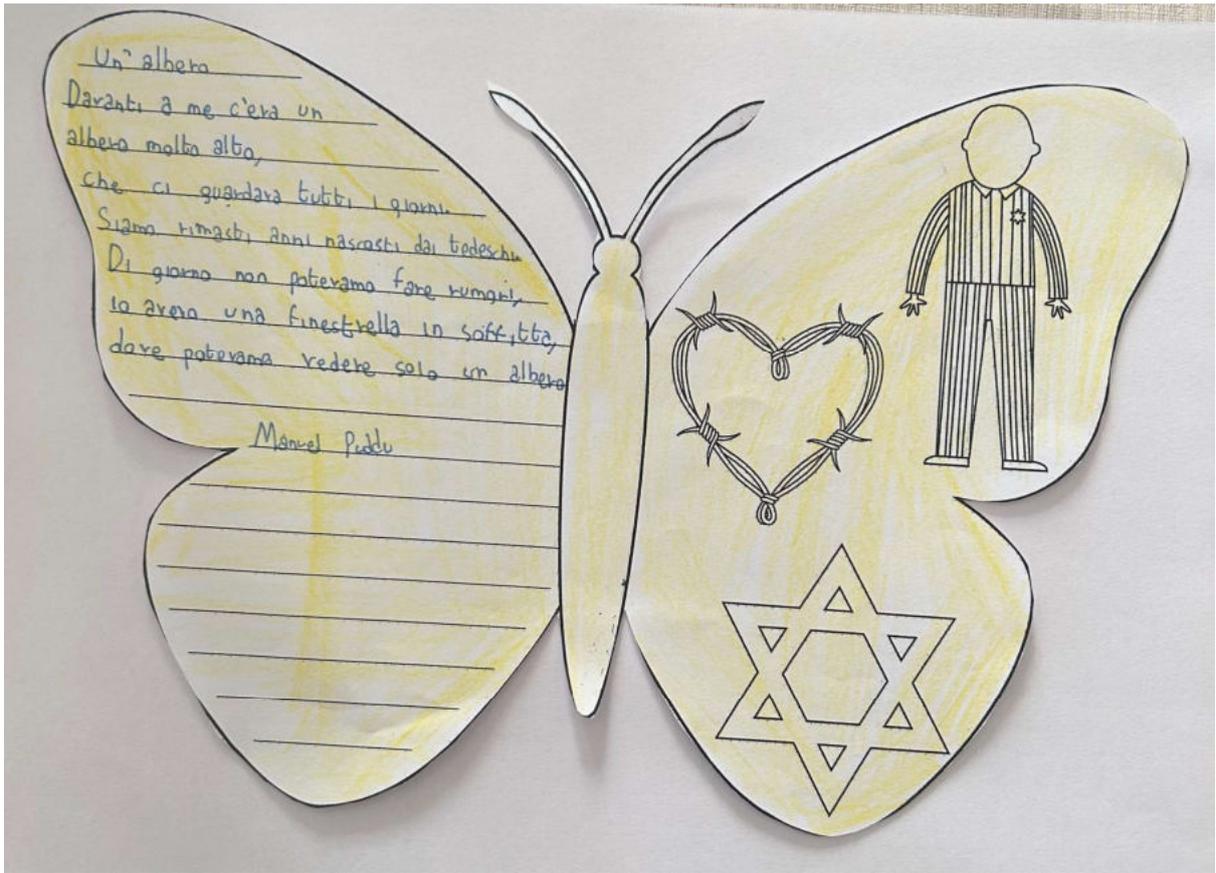

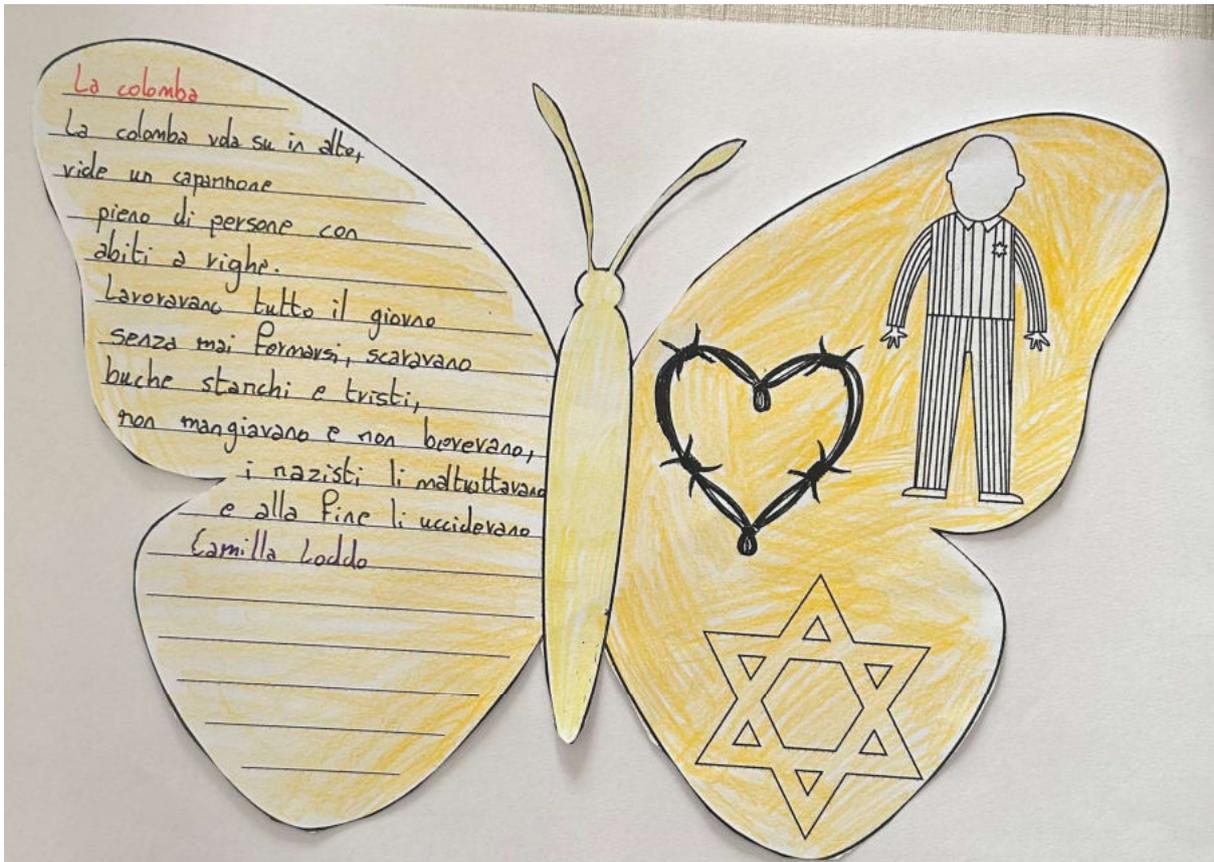

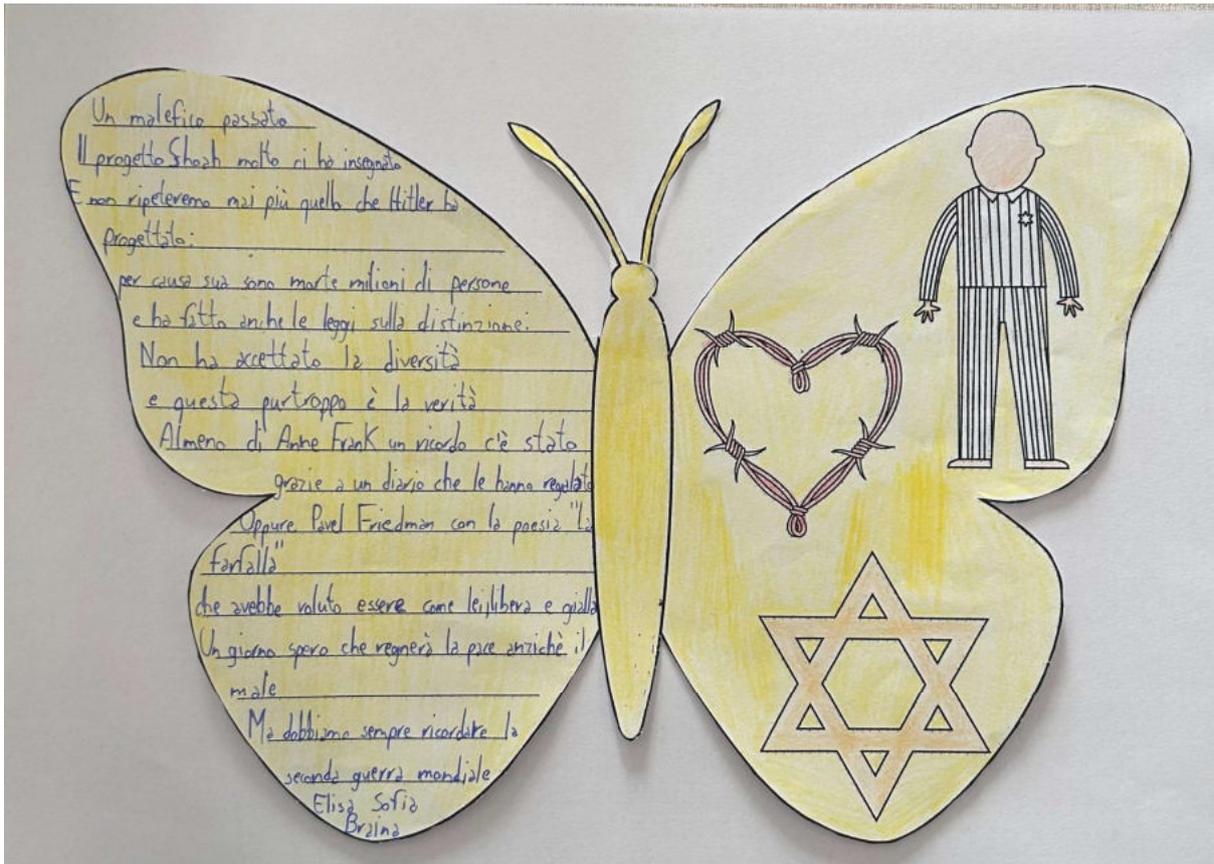

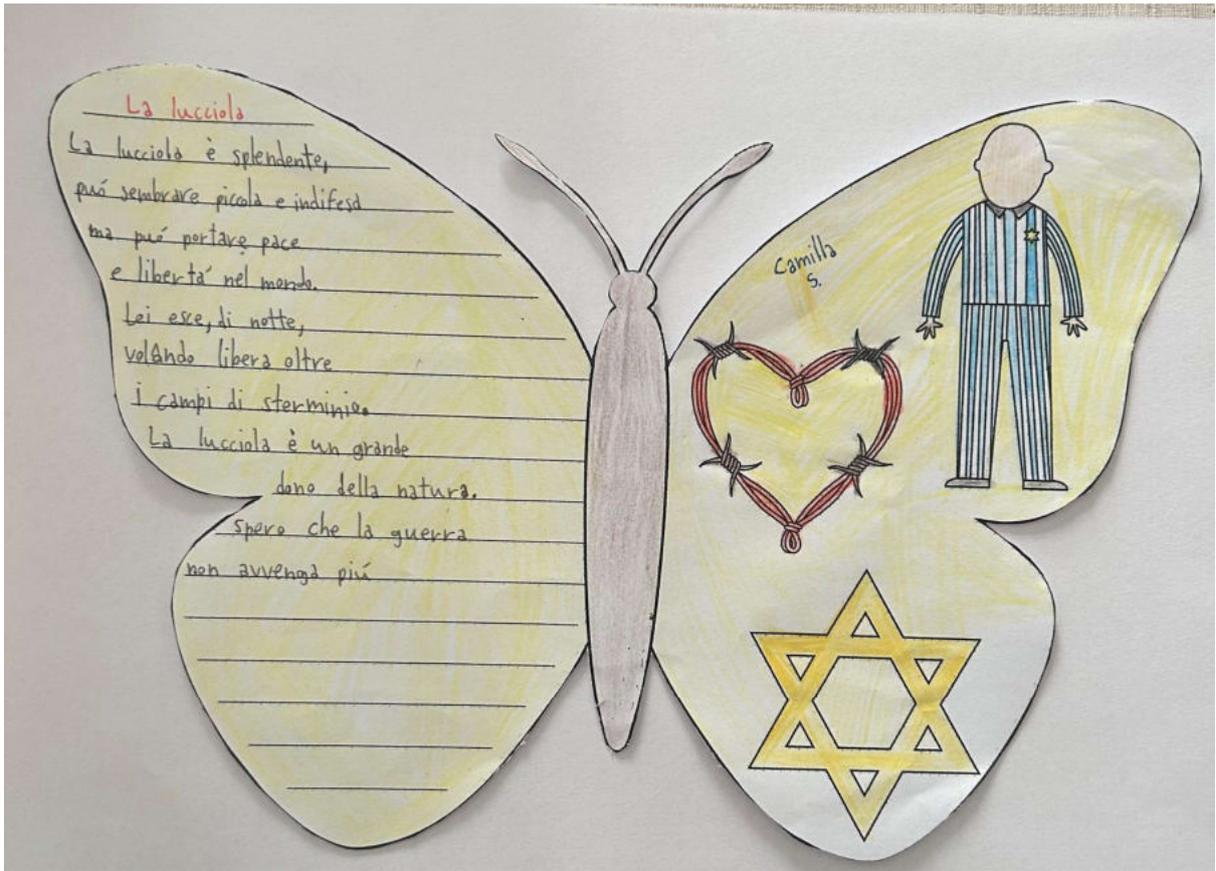

L'ULTIMA PAROLA

Addio cari amici, care famiglie
spero che stiate bene,
e che non veniate nella gabbia dove mi trovo
perché se amavete qui non usavete mai più,
io vedo la mia morte addosso
perché il cibo non è sufficiente
Spero che tutto questo amore non accada mai più
Chissà Gianna
